June 1, 2024

To My Dear Patients and their Parents:

It is with mixed emotions that I am announcing my departure from Pediatric Cardiology Center of Oregon at the end of August 2024.

My husband and I, along with our two young daughters, will be relocating to New York state to be closer to our family in that area.

I would like to thank you for the trust and confidence you have placed in me to take care of your child over the past 8 years. I have truly enjoyed meeting your beautiful children and watching them grow. I feel very fortunate to have had the opportunity to meet so many wonderful families and to have shared so many memories and experiences with you and your children.

Please know that your child's cardiac care is in great hands here with the incredible, caring, and compassionate team of cardiologists and staff at Pediatric Cardiology Center of Oregon.

Please do not hesitate to contact the office at (503)280-3418 with any questions you might have or to discuss transitioning to another cardiologist. All of your records will remain with PCCO and will be accessible to any cardiologist within the practice or available for transfer at your request.

Again, I thank and appreciate you for everything. Though I am saying goodbye with a heavy heart, I am confident that PCCO will continue providing you with outstanding care and treatment.

Sincerely,

Lindsay Urbinelli, M.D.
