August 20, 2025

To My Patients and Their Families:

After nearly three decades of caring for children and families at Pediatric Cardiology Center of Oregon, I'm writing to share the bittersweet news that I will be retiring from clinical practice effective September 30, 2025.

This decision has been a very difficult one. Serving as your pediatric cardiologist and arrhythmia specialist has been one of the greatest honors of my life. I will deeply miss my patients and their families. Your courage, laughter, milestones, and strength have made a lasting impression on me. I'm incredibly grateful for the trust you have placed in me throughout the years.

Since joining what was then known as The Children's Cardiac Center of Oregon in 1996, I have witnessed tremendous advances in care, along with the incredible growth of our patients. To have shared that journey with you has been profoundly meaningful and truly humbling.

For ongoing and follow-up care, please contact **Pediatric Cardiology Center of Oregon at 503-280-3418**. You will continue to be supported by a team of exceptional and compassionate professionals who are fully committed to your child's well-being.

Thank you for allowing me to walk alongside you on this journey. I will carry with me countless cherished memories and remain forever grateful for the privilege of being part of your lives.

With heartfelt appreciation,

Marc LeGras, M.D.  
Pediatric Cardiology Center of Oregon
